

Car Compatibility List

Acest produs este un scaun auto aprobat prin standardul de siguranta ECE R44/2004 pentru pozitii de sedere indicate de catre producatorii de autovehicule in manualul masinii dvs. In cazul in care vehiculul dvs nu are o pozitie potrivita de instalare si nici nu este inclusa in lista de compatibilitati, va recomandam testarea scaunului auto inainte de achizitia acestuia.

Grupa de greutate si varsta pentru ECE R44/2004 este 0-36 kg si 0/1/2/3. Grupa de isofix este: universal, D pentru grupa 0/1 (0-13 kg) si grupa 1 (9-18 kg) pentru rear-facing si B1 pentru forward-facing.

Atentie! Aceasta lista de compatibilitati este orientativa si nu reprezinta informatii verificate in proportie de 100%. Lista de compatibilitati poate fi modificata fara notificare prealabila si va fi pusa la dispozitia publicului. Orice vehicul care a fost aprobat prin standardul de siguranta ECE R44/2004 va permite instalarea unui scaun auto cu isofix aprobat prin acelasi standard. Autoturismele fabricate dupa 2011 sunt conforme standardului mai sus mentionat.

Atentie! Este interzisa utilizarea scaunului auto pe locul din fata in timp ce airbag-ul este activ. Inainte de instalarea verificati cartea masinii. Utilizarea in masini de tip decapotabila, coupe sau sport este posibil sa fie restrictionata.
